WORK EXPERIENCE

Dev Demand Co.

(May 2020 - Present)

Junior Dev Ops

Exceptional adaptability in tackling backend server related issues. Worked in the administration of varying systems in size and complexity. Delved into the inner workings of Kubernetes and participated in the development of multiple client related projects.

Conetix Web Hosting

(September 2018 - May 2020)

Technical Support Staff

Provided technical support across a wide range of various web related technologies including WordPress, Office 365, Plesk, Windows Server and more. Adept at following, editing and writing technical processes and procedures and supporting customers over the phone. Maintained multiple Linux and Windows based servers.

Camp Highroad

(May 2018 - September 2018)

Christian Camp Counsellor

Led campers through various team building and extra-curricular activities. Worked to develop meaningful relationships with campers, parents and other counsellors. Shared the Gospel with multiple groups of kids over the course of seven weeks and helped instill Christlike values.

Hungry Jack's

(November 2016 - May 2018)

Crew Member

Developed strong time management skills and the ability to work in stressful environments. Led and trained Crew Members in appropriate processes and procedures.

EDUCATION

TAFE

(January 2019 - January 2020)

Certificate III Information Technologies & Digital Media
